## "Polly of the Circus"

AT CHAUTAUQUA

Five Sets of Scenery in This Play

SCENE FROM "POLLY OF THE CIRCUS"

"Polly of the Circus," that delightful American play, full of sentiment and dramatic interest, will be presented this year on Chautauqua with a full cast and five complete sets of scenery. Many have doubtless had the rare pleasure of seeing this drama presented. Chautauquans who have not seen it will have some idea of its popularity when they know that it is said by many to be even better than "The Man From Home" and "The Fortune Hunter." It will be given by a company of experienced players and with numerous stage accessories designed to produce a very realistic effect.

Just a true, native drama of the lives of the people we all know, and most of us love, is the best description that can be given of "Polly of the Circus," whose trials and triumphs have moved from smiles to tears and from tears to pure delight over a million happy playhouse patrons.

The story is just a compelling study of a tender child born and reared among the gaudy life of the circus tent, thrown by accident into the home of a young village clergyman, and there awakened to hope, to love, to knowledge, to God. There is a wholesome sweetness and a delightful charm about this drama that has given it high rank among the successes of the stage. Certainly it is without superior and has few equals in the way of clean entertainment.

This play ran for six straight months in New York city. It will be in your town for one night. Be sure to see it at Chautauqua.

## ELECTROCUTED IN AIR

### C. And P. Telephone Lineman Loses Life at Winchester, Virginia

Winchester, Va., July 15.—W. Frederick Lowery, 38 years old, a local lineman of the Chesapeake and Potomac Telephone Company, was killed yesterday afternoon when he fell from a pole in front of the City Hall after coming into contact with a high tension electric wire of the Northern Virginia Power Company attached to the same pole.

Lowery was holding a telephone line leading to the Evening Star office when a metal buckle of his belt touched the electric wire. He fell headlong to the sidewalk and was dead when picked up. His skull was also fractured. He leaves a widow and four children. A son, Lee Lowery, was fatally mangled in machinery at the Old Dominion Paper Co., plant several months ago.

## GLAD TO TESTIFY

Says Watoga Lady, "As To What Cardui Has Done For Me, So As to Help Others."

Watoga, W. Va.,—Mrs. S. W. Gladwell, of this town says: "When about 15 years of age, I suffered greatly. Sometimes would go a month or two, and I had terrible headache, backache and bearing down pains, and would just drag and had no appetite. Then it would last two weeks, and was so weakening, and my health was awful.

My mother bought me a bottle of Cardui, and I began to improve after taking the first bottle, so kept it up till I took three. I gained, and was well and strong, and I owe it all to Cardui.

I am married now and have 3 children. Have never had to have a doctor for female trouble, and just resort to Cardui if I need a tonic. I am glad to testify to what it has done for me, so as to help others."

If you are nervous or weak, have headaches, backaches, or any of the other ailments so common to women, why not give Cardui a trial? Recommended by many physicians. In use over 40 years.

Begin taking Cardui today. It may be the very medicine you need.

also clashed near the Argo Hospital and 10 persons are reported to have been slightly injured. Until this morning the village has been quiet since the riot last Tuesday night in which three persons were killed and a score wounded.

Washington, July 15.—An epidemic of strikes and lockouts, spreading through many sections of the coun-

try, is costing lives nearing the \$1,000,000,000 mark.

Riots, precipitated in many of the strikes, already have resulted in property losses approximating millions.

Government reports show that an average of 50,000 men are away from their benches every week as a result of labor troubles. The direct loss in wages to strikers alone thus now ap-

proximates the total of \$5,000,000 monthly, reports indicate.

The indirect loss comes from the loss of more than 10,000,000 working hours monthly.

States, officials say. The decrease in production is staggering, involving a loss of more than 10,000,000 working hours monthly.

## In Olde Virginia

Where Cigarette Tobacco was born

"The wharves were the chief meeting-places of the sailors. And there they would gather, puffing their pipes of rich Virginia tobacco, the while telling merry tales of foreign ports and of recent happenings in the colonies."

—Early Virginia Settlers

## Don't lose any of that good Virginia-Carolina Taste

SUN-ripened—mellow Virginia-Carolina tobacco has a lively, appetizing taste that other tobaccos do not have.

But, mark this—Virginia-Carolina tastes best when smoked straight. Mixing it with other leaf takes away some of that fine fullness of flavor.

If you want the real Virginia-Carolina flavor—all of it—smoke Piedmont.

## The Virginia-Carolina Cigarette

# Piedmont

NOTE—Virginia-Carolina tobacco, unlike foreign-grown tobaccos, has no import duty to pay. That is why Piedmont's quality does not cost you more. Import duty does not make a cigarette taste any better. Why not get it if your money's worth is tobacco quality?
